*Speaker:* Fr. Matt Williams,

Director of the Office of New Evangelization for Youth and Young Adults.

A Faith Festival is intergenerational Life-Long Faith Formation: All ages learning, growing and living in faith through common experiences, age-specific learning and interactive sharing!

Generations of Faith is for all ages including: Singles, Couples, College Students, Teenagers, Kids, Moms and Dads, Grandmas and Grandpas, Students, Empty Nesters, Newcomers, Religious Education Families, Catholic School Families, Retired People, and All Parishioners!

At a Faith Festival we hear a presentation, participate in age level activities and discussions, share a meal, and pray together!

Our topics for March 27 include Lenten practices, the Lenten call to conversion, and the redemptive quality of suffering.

**This parish event for all ages is also an integral part of our parish religious education program. All religious education students are expected to attend with at least one parent.**

Events of this kind take many hands! We need people to help set out our meal, people to help facilitate the day, people to set up or clean up, and people to be on our planning team. Please email Pat Szczebak at [pszczebak@scsnorwood.com](mailto:pszczebak@scsnorwood.com) or call 781-492-7322 to volunteer or with any questions.

We need to know how many people are coming in order to plan for our meal and activity supplies. Please fill out the slip below and **put it in the collection basket, or return it to your child's religious education teacher, to St. Catherine's school, or to the rectory.**
